Erratum: Global Access to Handwashing: Implications for COVID-19 Control in Low-Income Countries

Michael Brauer, Jeff T. Zhao, Fiona B. Bennitt, and Jeffrey D. Stanaway

Environ Health Perspect 128(5):057005, https://doi.org/10.1289/EHP7200

In Figure 2, the shading for Canada was inadvertently omitted. Canada should have been shaded deep purple, representing 0 to 0.1 proportion of the population. The figure has been included in this erratum and corrected in the original article.

EHP regrets the error.

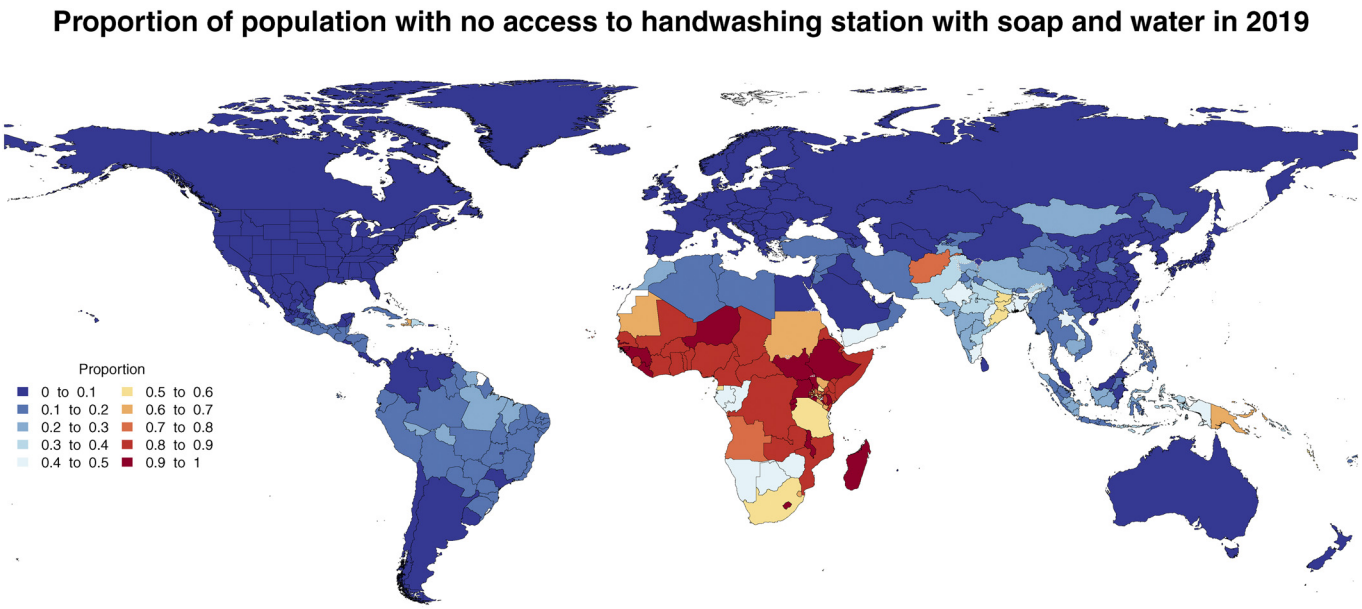

Figure 2. Estimated proportion of the population with no access to a handwashing station with soap and water in 2019. See Excel Tables S3 and S4 for corresponding numeric data for 2019 and all years (1990–2019).
