

ERRATUM

NOTE: In Table 3 of the article by McKelvey et al. [Environ Health Perspect 115:1435–1441 (2007)], the units for mercury concentration in the column titles are incorrectly labeled: “ $\mu\text{g}/\text{dL}$ ” should have been “ $\mu\text{g}/\text{L}$.”

EHP apologizes for the error.

This error has been corrected in the PDF version of this article.
