

Erratum

C. Jelinek (Food and Drug Administration)
Environmental Health Perspectives 39:143-151
(1981)

The author has discovered that two data entries in the table on p. 147 are incorrect. Under the column headed "Current", the value "0.25" should be "0.025", and the value "0.15^b" should be "0.015^b".
